**CRIS Orientation includes classroom instruction
of the most used Rapattoni programs and features!
Course approved for 2 hours of CE**

**If you own a laptop that has wireless capabilities you may bring it with you to
the orientation. Please remember to bring a power source if you feel your
laptop battery will not last for two hours.**

- Please note that **orientation is free and mandatory**; failure to complete orientation within your specified time will result in a \$100 fine as well as Board and/or MLS suspension.
- If you prefer, take the orientation online at www.aabor.com. Simply click on Becoming a Member on the left-hand side of the page then click on Membership Information. Scroll down and click on AABOR ORIENTATION PRESENTATION and be sure to follow the instructions on the last slide to get your credit. For CRIS, click on CRIS ORIENTATION PRESENTATION and complete the CRIS Orientation Questionnaire at the end of the presentation. **In order to satisfy the requirement, you must submit paperwork showing completion of both orientations.**

**Orientation classes are held at:
Akron Area Board of REALTORS®
565 Wolf Ledges Parkway
Akron, Ohio 44311
330-434-6677**

Please notify AABOR at the time of registration if you have a disability, which requires special accommodations, including the provision of auxiliary aids and services.
