

## The AABOR Roundtables are back!

In October of 2008, AABOR presented their first ever ROUNDTABLES. It proved highly successful in introducing the products and services that AABOR provides to their members. Since then, AABOR'S actively participating volunteer numbers have increased as much as 65%.

The ROUNDTABLES consist of active AABOR volunteers from each division or forum meeting with AABOR members. This exchange of ideas and information regarding the many volunteer and leadership opportunities offered at the Board, was very well received by the participants.

This is an excellent opportunity to meet the folks who make up the leadership at AABOR and the volunteers that help make the decisions that have an impact on you and your business.
